The eligibility of a student failing to meet the provisions of subsections (a) through (d) above may be reinstated a maximum of one time. This reinstatement is possible by the student passing twenty-five (25) percent of the requirements of the district for graduation during the year he/she is ineligible. On a weekly basis, a student shall also be passing (cumulatively for the credit period) in at least four hours of instruction as defined by Kentucky Board of Education regulations (of the six hours of instruction required) or the equivalent of four hours of instruction acceptable to graduation in order to be eligible to participate in athletics during the subsequent week (Monday through Sunday period) and through the next opportunity to examine grades in this manner. On its membership form, each member school shall designate the day of the week approved and documented through local policies, that the grades shall be examined for the student-athletes within that school, in order to make this determination. Absent any other determination, this weekly check of grades shall be conducted on each Friday of each grading period on the last day of classes preceding that particular Friday if no classes are conducted on that particular Friday. No special tests or recitations are to be given for the purpose of making the student eligible.

The Commissioner has discretion (but is not required) to waive the period of ineligibility set forth above if one or more of the following exceptions in Section 2 has been met. Determinations of whether a student shall be granted a waiver pursuant to this rule shall be based on the circumstances existing as of the date of enrollment at the new school.

Sec. 2) Discretionary Exceptions for Waiver

A student who becomes emancipated does not have a bona fide change of residence by virtue of his/her emancipation and change of residence for purposes of this bylaw.

Sec. 4) Enrollment Elsewhere
No student who is enrolled or connected with any other school than the one he/she represents shall take part in any contest. In the case of all-boys high school, girl cheerleaders from affiliated neighboring schools may be accepted.

Bylaw 5. Minimum Academic Requirement
Sec. 1) Proper Grade Level Requirement for Students in All School Districts
On the first day of each school year, a student must be at his/her proper grade level. To be considered to be at the proper grade level, a student must have been enrolled as a full-time student during the previous grading period, and must be on schedule to graduate with his/her class on the first day of school. For the verification of this provision, all course work, including summer and correspondence work, must be complete by the first day of the school year for the student body.

Sec. 2) Requirement for Insurance

It is the responsibility of each member school to ensure and certify that each student has insurance coverage throughout the school year.

Bylaw 3. Age
Sec. 1) Age Restriction
Pursuant to KRS 156.070 (2) (e), a student who becomes nineteen (19) years old before August 1 shall be ineligible for interscholastic athletic competition. A student who becomes nineteen (19) on or after August 1 shall remain eligible for the entire school year.

Sec. 2) Waiver Provision
The Board of Control and the Commissioner may waive the provisions of this regulation and the student shall be eligible for high school athletics in Kentucky if the written documentation is provided to clearly demonstrate that the student:
a) Qualified for exceptional children services and had an individual education program developed by an admissions and release committee (ARC) while the student was enrolled in the primary school program;
b) Was retained in the primary school program because of an ARC committee recommendation; and
c) Has not completed four (4) consecutive years or eight (8) consecutive semesters of eligibility following initial promotion from grade eight (8) to grade nine (9).

The Board of Control and the Commissioner may not adopt administrative procedures that allow for waiver of this rule under any other condition.

Bylaw 4. Enrollment
Sec. 1) Maximum Number of Semesters
Students promoted from grade eight (8) to grade nine (9) shall have four (4) consecutive calendar years of eligibility from the date of first such promotion by the school provided the student's eligibility according to this and all other Association bylaws. Such eligibility shall conclude with the completion of the spring sports season following the fourth year. No additional eligibility may be granted in a case where the grant would allow a student to compete in all or part of the fifth competitive season in a single sport following the initial promotion by the school from grade eight (8).
b) The Commissioner or Board of Control through the Due Process Procedure, may grant additional eligibility in the case where it has been documented by the attending physician, Principal and Superintendent that severe illness or injury has prevented the student from receiving necessary education services and the right to an education has therefore been impacted rather than simply the loss of athletic privilege. Such grant of eligibility may only be made in the cases in which the student-athlete would remain eligible by all other Association bylaws. Nothing about this provision shall include additional eligibility strictly for loss of participation due to sports related injuries. No additional eligibility may be granted in a case where the grant would allow a student to compete in all or part of the fifth competitive season in a single sport following the initial promotion by the school from grade eight (8).
c) No student having been enrolled in the fourth (4th) grade or in any grade through twelfth (12th) shall be eligible for interscholastic athletics at the high school level (grades 9 through 12) for more than a total of one (1) year in each grade and applicable eligibility shall begin in the first year enrolled in that grade. Students repeating a grade for any reason are ineligible to participate in interscholastic athletics at the high school level (grades 9 through 12) during the second year in that grade. The penalty for violation of this rule shall be the loss of one of the four years of eligibility after being promoted from grade nine (9). Policies regarding the participation of repeating students at the levels of play below high school interscholastic athletics shall be determined by the school.

ADMINISTRATORS AND COACHES

Dear Parent or Guardian:
Kentucky High School Athletic Association (KHSAA) rules require all participants in interscholastic athletics and parents/guardian to acknowledge receipt of the eligibility rules as promulgated by this Association and the Kentucky Board of Education Regulations. If you have questions concerning these regulations, please direct them to your high school principal. This form is for information only. For the full text of any KHSAA Bylaws, consult the KHSAA Handbook or web site (<http://www.khsaa.org>). Please continue to support your child and your local high school by attending and supporting high school activities, "An Integral Part of Education."

STATEMENT OF HAZARDS IN PARTICIPATION IN ATHLETICS
Playing, practicing to play, helping with, or participating in any manner in any sport can involve many risks of injury. Because of the risk of participating in sports, the student should recognize the importance of following the coaches' instructions regarding playing techniques, training and other team rules and obey such instruction.

CATASTROPHIC INSURANCE COVERAGE
The KHSAA provides excess catastrophic insurance coverage for all student athletes at no cost to member schools. This plan has a \$25,000.00 deductible. Your child will be covered under this plan during the prescribed dates and activities, effective the date you complete and return the attached acknowledgment form to the school principal. This is an "excess" policy, meaning personal insurance and other school insurance policies are to be exhausted before this plan is implemented. The plan provides coverage for students who meet all eligibility requirements while engaging in, practicing for, or traveling to or from, all activities under the jurisdiction of the KHSAA and the direct supervision of a school employee, and has many other provisions and benefits.

No pupil shall be eligible to represent his/her high school in any interscholastic athletic event (practice or play) unless he/she has been examined by a Health Care Provider as detailed in Bylaw 2 and has proof of insurance to the \$25,000 catastrophic floor. Parents should present this form to your Health Care Provider for his/her signature following his/her examination of your child. The physical examination is valid for participation in athletics for one year from the date signed. Return completed form to your high school Principal to be maintained by the school.

Sec. 1) Physical Examination and Parental Consent Requirements
The Superintendent or Principal shall have each student who is trying for a place as a participant on an athletic team or cheerleading squad present a physician's certificate certification signed by a physician, physician's assistant, advanced registered nurse practitioner, or chiropractor if performed in the scope of practice (as defined in KRS Chapter 312) which shall state that he/she is physically fit to participate without undue risk. The parent's consent for the child's participation and acknowledgment of receipt of the eligibility rules as promulgated by the Association and Kentucky Board of Education regulations in writing shall also be required.

The name of the student or coach shall be reported to the Commissioner by the principal of the school than that student attends. If the Commissioner finds upon investigation that the offense was sufficiently serious, the offender shall be permanently disqualified.

d) If the satisfying of one of the exceptions is used or manipulated for the purpose of gaining athletic eligibility;

Sec. 4) Other Transferring Student Restrictions and Procedures
a) The Commissioner may, as he/she deems necessary, appoint or hire a committee or investigator to conduct any inquiry or investigation concerning any issues arising under this bylaw or any other bylaw.
b) If any member school files a written objection to the factual validity of the certification before the conclusion of the period of time to which the period of ineligibility would normally apply, along with the specific, detailed basis for such, then a complete investigation shall be conducted by the KHSAA and a ruling shall be issued through the Commissioner's office.

b) DIVORCE - The KHSAA will not recognize a legal separation as grounds for waiver of the provisions of this bylaw. The period of ineligibility may be waived in the event of a dissolution of marriage (i.e. a final and legally binding divorce decree from a court of competent jurisdiction) of the parents and a change in the residence of the student pursuant to a court order granting custody of the child to one of the parents with whom the student shall reside. In the event joint custody is awarded to both parents, for purposes of this bylaw, the student shall initially be eligible where either parent resides. After initially establishing eligibility with one parent, all subsequent transfers will require a period of ineligibility of one year. If neither parent retains the former residence, the parents shall designate one of their new residences (mother or father) for the purpose of this bylaw, such designation to be reviewed and approved by the Commissioner. d) DEATH - The period of ineligibility may be waived in the event the death of one or both of the student's custodial parents creates such circumstances that the transfer to another secondary school is deemed appropriate.
e) BOARDING SCHOOLS - The period of ineligibility may be waived on a one-time basis for students entering a boarding school on a full-time basis as a boarding school student.
f) NON-ATHLETIC PARTICIPATION FOR AN ENTIRE SCHOOL YEAR - The period of ineligibility may be waived in the event that the transferring student did not participate in an interscholastic contest at any level in any sport while enrolled in grades nine through twelve at the sending school during the entire academic school year immediately preceding the change in schools.
g) REASSIGNMENT BY BOARD OF EDUCATION - The period of ineligibility may be waived if the student has changed schools through a property documented reassignment of the Board of Education to another school in the district. To meet this exception for a reassignment, reasons for the assignment may include, but are not limited to, the closing or opening of a school due to consolidation, merger, opening of a new school, or another type or opening or closing or assignment through KRS 158.6455 or other applicable adopted regulation. Such assignment may be to the public school district should a private, parochial or independent school close.
